Cast LMS (Buri Technologies Inc.)
109 Scout Fernandez Street
Quezon City, National Capital Region 1103, PH

Dear Cast LMS Hiring Team,

I am writing to formally express my interest in applying for the position of Junior Full Stack Software Developer at your establishment. I have originally found the advertisement for this position in the Indeed employment website. I would be honored to attain this employment to be able to offer my skills and to improve upon and broaden my experience which I am sure I will acquire in your establishment, for this I will be very glad to join.

I am a recent graduate of a Bachelor of Science in Computer Science degree at Laguna College. I have had prior experience in working professionally while I was studying and have had training in web design and development for which I received a certification. I am confident that my background has equipped me with the skills necessary to contribute effectively to your digital marketing initiatives.

Enclosed with this letter are my resume and also additional documents such as my Civil Service Exam (Professional Level) - Notice of Rating, scans of my distinctions received, and scans of my certificates for the seminars I have attended.

Thank you very much for considering my application, I am looking forward to contributing my skills at your establishment. Please do not hesitate to contact me and request for any additional documents or information you may need.

Respectfully yours,
Carlos Emiliio E, Alcantara
